gopaybright.com

Point of Sale (POS)

Track sales, oversee inventory, manage employees, and generate reports.

Kitchen Display System (KDS)

View real-time order information, time of order, time elapsed since order placement, and more.

Customer Facing Display (CFD)

Displays items, prices, applicable taxes, tip amounts, promotional messages, and/or loyalty points.

Self Ordering Kiosk

Thoughtfully tailored for food ordering to speed the process and reduce wait times.

Delivery Integrations

Streamline orders from various ordering platforms into one place allowing for superior data analysis.

Order Status Board (OSB)

Keeps guests informed in real-time about the progress of their orders on a guest-facing TV screen.

Make It Butter (Online Ordering)

Provides a digital platform for online ordering and executes deliveries from start to finish.
